

# Promote ADA Membership...Participate to Win!

---

Are you a Promoter of ADA membership? If so, stand up and be recognized. This member recruitment initiative was created to recognize those who are champions for ADA membership — grass-roots influencers who encourage food and nutrition practitioners and dietetics students/interns to join ADA.

ADA's Promoters are key to maintaining and growing our membership. ADA Promoters are eligible to win prizes based on their recruitment efforts. Program runs from March 1 to September 1, 2010.

## **Prizes include:**

- 2 round-trip airline tickets within the Continental US
- Free FNCE registration for 2011
- Free 2011–12 ADA membership
- All Promoters in attendance at FNCE 2010 in Boston will be recognized with a free t-shirt

---

To participate, simply promote ADA membership and have the individual that you recruit indicate your name on the “Did someone recommend ADA membership to you?” section of the 2010–2011 Membership Application available on [www.eatright.org](http://www.eatright.org). Just click “Join ADA.”  
Questions? E-mail [ADAPromoter@eatright.org](mailto:ADAPromoter@eatright.org).
